

SHOP VOLUNTEERS NEEDED.

Do you like interacting with people?

Enjoy being in a retail environment?

If so, we would love to hear from you.

We are looking for shop volunteers to help manage the flow of customers safely into our shops and to show customers where they can leave donations. You will also help customers with queries, process, move and display stock and maintain an inviting and welcoming shopping experience.

Volunteers are needed in our shops in Ickenham, Ruislip Manor, Ruislip and West Drayton.

The shops are open from 09:00-17:00 Monday to Saturday. We are ideally looking for a commitment of 4 hours i.e. morning or afternoon shift.

Volunteering is a great opportunity to meet new people and develop new skills. So, if you want to build confidence, get out of the house or simply help Harlington Hospice, there are many benefits of giving some of your time to help us.

The minimum age for volunteering in the shop is 16 years of age.

How to apply for this role? – To apply for this role please visit the H4All website or email: Volunteerhub@h4all.org.uk
