

# 'Family Befrienders' Needed

**Do you have experience as a befriender?  
Are you friendly and a fast learner? Are you  
confident and good at making new friends?**

**We are looking for dedicated befrienders to support our  
children & their families weekly.**

**What's in it for you?** 😊 This is an exciting opportunity to join the Daniella Logun Foundation (DLF) as a befriender.

Volunteering provides a great opportunity to learn new skills, meet new people and help others. You will be part of a dedicated team & help support our children and their families – remotely and within COVID-19 safety protocols.

- Training will be provided
- Commitment: 1 or 2 days per week for 6-12months (negotiable)
- Based in the London Borough of Hillingdon

The DLF will reimburse you for reasonable out of pocket expenses incurred while volunteering. For more information on how to apply for this role, please email the DLF services team via: [recruitment@thedaniellalogunfoundation.org](mailto:recruitment@thedaniellalogunfoundation.org)

The DLF is a new charity that serves Hillingdon & the surrounding North West London area. We offer holistic wellbeing support to Children & Young People (0 – 18years) diagnosed with brain tumours *and* their families. Our support services better enable the child's family to meet the care needs of that child. **You can help us make a real difference to the children that need it most!**
