

Daniella Logun Foundation

Supporting Children & Young People
diagnosed with brain tumours and their families

Volunteer DLF Driver – Role Specification.

This is an exciting new opportunity for a friendly, active volunteer to join the Daniella Logun Foundation (DLF) based in West London as a driver.

We provide holistic wellbeing support to Children and Young People (CYP) diagnosed with brain tumours (or other cancers) and their families. When a child is diagnosed with a brain tumour, medical care takes over and the wellbeing of the child and family is inadvertently neglected. If unaddressed, this wellbeing neglect can lead to long lasting wellbeing trauma.

Feeling isolated can become a real-life challenge for many of our children who have been diagnosed with a brain tumour or other cancer and their families. This can affect the family's ability to access good quality health and social care support for their children and themselves or maintain good relationships at the point of need.

About the Role:

This role will involve experienced driving skills, friendly client interaction with DLF supervision and exposure to our ongoing community projects in:

- Holistic wellbeing support, family health & social care provision; faith support
- Community based Childhood Brain Tumour awareness programmes (Virtual)
- Advocacy and support in navigating local Health & Social Care provisions

Key Responsibilities will include:

The role of a driver is important and will give our children and their families the freedom they need to get out and about in the community as needed. Your role will involve commuting to and fro pre-agreed locations within the community to support our families to:

- go to a doctor's or hospital appointment
- pick up and delivering *Dannie's Gift Boxes, Food boxes etc* to our families doorstep
- Get out of the house, seeing family/friends, a drive in the country, shopping trip, social activity or event
- Post-Covid19 – assist with organising and attending our promotional and community stakeholder meetings and events

Daniella Logun Foundation

Supporting Children & Young People
diagnosed with brain tumours and their families

- Supporting with other logistics around our services – as required

Person Specification:

The ideal volunteer will be an experienced driver, friendly and have a real commitment to making a difference in the lives of our seriously ill children and their families. We are seeking an individual with a can-do, reliable attitude who is ready to join our close team of volunteers immediately.

You will be:

Emotionally resilient | Self-motivated | Willing to Learn | Trustworthy | Organised | Proactive
| Honest | Reliable | Flexible | Committed | DBS checked or equivalent.

Support Offered:

- Full training & induction will be provided
- Weekly commitment (negotiable) – 1 to 3 days for an initial period of 6-12 months
- Reasonable out-of-pocket expenses will be paid to cover reasonable out-of-pocket expenses

We are seeking an individual who is capable and ready to join our close team of volunteers immediately.

HOW TO APPLY

Please note that all applicants **must** be over 18 years old and should ideally hold a **valid DBS check**.

To apply please contact **the H4All Volunteer Hub** on **07395 282825** for an informal conversation **or** submit your CV with references via **email to volunteerhub@h4all.org.uk**
