Parkrun Barcode Scanner(s) Volunteer

Role/Purpose:

To help scan the barcodes after the Parkrun to ensure the junior runners results are recorded.

Role Description:

This volunteer scans the personal barcode (using the Virtual Volunteer app), followed by the barcode on the finish position token, to ensure every participant who completes the course receives a result.

Commitment & Location:

Lake Farm Country Park

Qualities & Experience:

- Observational skills
- Time management

Main Responsibilities:

- Have the Virtual Volunteer App downloaded on a mobile device and have the device set to airplane mode
- After the run has finished, scan the participants' personal barcodes (Parkrun ID) and then the numbered position token given to them by the timekeeper(s)
- Submit the results, by turning airplane mode back off and then scanning the event's QR code and your personal barcode

Training:

- You will be shown how to use the Virtual Volunteer App

Benefits:

- Learn new skills and build confidence
- Meet and connect with new people
- Develop a sense of community with the team

How to Apply:

A H4ALL application form must be completed.
