

MATHS OR ENGLISH TUTOR VOLUNTEER

Secondary School, North Hillingdon

In the UK today, the best predictor of a child's academic and social success remains the income and postcode of their parents. Team Up believe that this is damaging to society as too many young people are unable to develop their skills and passions to shape their own destiny.

Team Up tutor underachieving, disadvantaged children in Maths and English to double their progress, help them gain confidence and improve their prospects. We do this with the support of an incredible team of volunteer tutors.

We are looking for enthusiastic and inspirational role models who will tutor KS3 Maths or English on our programme at a secondary school in North Hillingdon (postcode UB10) on a weekly basis. You will be matched to a small number of pupils (aged 11-14) and provide them with the academic support, encouragement and inspiration they need to get back on track.

Main purpose of the role:

Supporting young people from disadvantaged backgrounds to achieve their full academic potential and build a bright future for themselves.

Commitment required:

- Tuition sessions are 2 hours long and take place on Friday mornings during school term times.
- You will be expected to volunteer for at least one school term (10-12 weeks).
- You will receive support from a Team Up Programme Manager, who is a qualified teacher. Your Programme Manager will be present at each tuition session.

Benefits for you:

This is a great opportunity if you:

- Want to learn new skills
- Wish to enhance your CV and improve your employability
- Enjoy working with young people
- Want to be part of a fun team
- Wish to make a difference and give back to your local community

Tutoring with Team Up is rewarding experience as most of our pupils double their expected progress in just 12 weeks time! At Team Up we also want to make sure that you will have a valuable experience with us! Therefore, we offer ongoing coaching, a personalised reference, and access to career enhancing seminars and a career mentor.

Role responsibilities:

As a volunteer you will deliver engaging tuition sessions to a small group of pupils, using Team Up's lesson plans and teaching materials. After each session you are required to complete a short online form, providing us with feedback regarding your pupils' engagement, efforts and progress.

Skills required:

No previous tutoring experience is required, but you would need to have strong grades in the subject you wish to tutor.

Attributes required:

- Committed and organised individuals who are keen to develop new skills.
- Individuals who are passionate about social mobility and helping to reduce the education attainment gap.
- Good interpersonal skills when dealing with pupils.

Training and support given:

Our tutors receive induction training (including safeguarding training) and ongoing support from a qualified teacher throughout the programme. We offer our tutors personalised developmental feedback, helping them to improve their skillset.

This role requires you to undergo a free of charge DBS check, which will be arranged by Team Up. Also, reasonable travel expenses are covered.

To apply for this role:

A H4ALL application form must be completed. Please note we require two references.

To obtain an application form:

- Visit www.h4all.org.uk and download or print an application form
- Email volunteerhub@h4all.org.uk to request an application form to be sent to you by email or post

Send your fully completed application form by:

- Email to volunteerhub@h4all.org.uk
OR
- Post to H4All, Volunteer Development Team, Key House, 106 High Street, Yiewsley, UB7 9BQ
